2. Why does God speak to Job?
3. What do these rhetorical questions do to Job and by extension to us?
4. If you should die and find yourself standing before the throne of God, and if he were to ask you why you should be permitted to enter heaven, what would your answer be? Your answer probably starts with the word "because." Now think, the next word you say identifies the person in whom you have placed your faith and hope for eternal life. Was that word "Jesus" or "I"?
